Dear Sirs,

**RE: Area edged red,** [REDACTED]  
[REDACTED]

I refer to your enquiry received on the 16<sup>th</sup> April 2018 concerning the above property shown on your enclosed plan.

There are London Underground Limited (LUL) railway services in the vicinity of the property - Circle Line, District Line and Northern Line Services - but not sufficiently close as to be likely to affect the property.

The approximate position of these services is shown on the plan enclosed. Please note that the position of the services is indicative and should not be used for design purposes.

There are no approved proposals for any new TfL railway services in the vicinity that affects the property, and no rights are claimed in relation to the property as far as I am aware.

The property is within 200m of the Transport for London Road Network (Victoria Embankment).

For information about submitting a highway search in relation to TfL roads please go to <http://www.tfl.gov.uk/conveyancingsearches> and click on 'Highway Searches', or email [highwaysearches@tfl.gov.uk](mailto:highwaysearches@tfl.gov.uk)

Please note that separate fees are payable for highway searches.

Network Rail are the owners of land close to the property. Please refer to the Network Rail internet site for further details.

This reply is given on the basis of information presently available to me and without prejudice to any unforeseen plans or decisions that may occur to alter the current situation. The information is believed to be correct and relates only to those interests of Transport for London. You should make such further searches, enquiries inspections and surveys as are appropriate with respect to other rail service providers.

Thank you for undertaking to pay our fee. An invoice will be sent to you under separate cover.

Yours faithfully,

A handwritten signature in black ink that reads "M. Kani".
